The Annual Biobank China 2017 & International Symposium of Precision Medicine

---

## MESSAGE FROM THE ORGANIZING COMMITTEE OF THE ANNUAL BIOBANK CHINA 2017 & INTERNATIONAL SYMPOSIUM OF PRECISION MEDICINE

Dear Colleagues,

It will be a great honor for us to host you all at the Annual Biobank China 2017(ABC2017) & International Symposium of Precision Medicine, which will take place from November 30<sup>th</sup> - December 3<sup>rd</sup>, 2017, in the Empark Grand Hotel Changsha. This hotel is located at No.172 Jintai Road, Kaifu District, Changsha City, Hunan, China.

The tradition of the Annual Biobank China(ABC) Conference and Exhibition is interactive and innovative. Since 2011, five prior ABC workshops have established a global network of professionals, providing the opportunity and momentum for major progress in the development of biobanking and related medical research. The previous conferences attracted international counterparts including physicians, researchers and business representatives from more than 10 countries such as the United States, Britain, France, Germany, Sweden, Canada and Austria. At the same time, prior conferences also included a large number of experts from the National Institutes of Health (NIH), the Pan-European Biobanking and Biomolecular Research Infrastructure (BBMRI), the Public Population Project in Genomics (P3G), the International Society for Biological and Environmental Repositories (ISBER), the International Organization for Standardization (ISO), the American Association of Blood Banks (AABB), the College of American Pathologists (CAP) and the Karolinska Institute (KI) to share their experiences about biological sample applications and biobanking.

Comprising five plenary symposiums, more than five parallel sessions, two seminars and two special interest group programs, the ABC 2017 promises to further advance the continued international collaboration by bringing together leaders, senior professionals, academics and top scientists from all over the world.

The theme of this conference is “ABC2017: Moving Precision Medicine forward in the 21st Century”.

Built on the success of its predecessor conferences, the ABC2017 Conference & Exhibition

will be one of Asia's largest and the most up to date Biobanking & Precision Medicine events.

### Registration Fee

Registration Type	Early Bird (Before October 31 <sup>st</sup> )	Regular (After October 31 <sup>st</sup> )
Full Registration	RMB ¥1800	RMB ¥2000
Student	RMB ¥1000	RMB ¥1200
Guest	RMB ¥3600	RMB ¥4000

### Payment Options

#### I. Bank Transfer

**Bank Account Number: 609357349900**

**Bank Account Title: Central South University**

**Bank Name and Address: BANK OF CHINA, XIANGYA BRANCH, NO.531 CAIE ROAD, CHANGSHA, HUNAN, CHINA**

**Swift Code: BKCHCNBJ970**

**Tel: 86-073185795616**

**Please send a message with your name and your university or company when you transfer.**

#### II. Cash

**Direct payment at the conference, The invoice will be sent after the conference.**

**Registration will be available both online and onsite until the conference begins. When you complete the registration process, please be sure to send a confirmatory letter containing the following information: name, gender, employer, travel and housing for the attendee, to one of the contact persons listed below.**

### Contacts

Conference & Exhibition email address: abc2017cs@163.com

For more information please contact:

Name	Telephone number	E-mail address
Ms. Ziyu Zhou	86-15116275705	zhouziyu89@163.com
Ms. Han Hu	86-13621874560	615587500@qq.com
Ms.Chen Xu	86-13816889880	chen.xu@screnet.org

### Plenary Symposia

1. **Quality management and standardization in construction and operation of biobanks**
2. **Ethical and regulatory requirements in the construction of biobanks**
3. **Big data, automation, artificial intelligence, and other emerging technological advances**
4. **Business planning and the sustainable development of biobanks**
5. **Construction and management of biobanks under multiple network models; advantages of biobanking networks**

### Parallel Sections

1. **Large Cohorts and Precision Medicine (Major Diseases, Rare Diseases and Healthy Populations, etc.)**
2. **Biobanking for National Precision Medicine Initiatives in Different Countries**
3. **Next Generation Biobanking, Including Liquid Biopsies (Circulating Tumor Cells, Circulating Cell-free DNA, Saliva, Tears, etc.)**
4. **Construction of Stem Cell Biobanks & Frontiers in Regenerative Medicine**
5. **Microbiome Research, Including Construction of Fecal Microbiota Biobanks**

### Seminars

1. **Seminar for Working Group of Intelligence Biobank, Chinese Society of Medical Laboratory Equipment (CAME)**
2. **Seminar for the Hunan Industry Technology Innovation Strategic Alliance of Human Genetic Resource (HITISA-HGR)**

### Special Interest Group Programming

1. Roundtable of Biobank directors in China
2. Exhibition of Biobank Images

### Conference Essay

**Deadline for abstract: 30th October 2017.**

**Please submit your abstract to [abc2017cs@163.com](mailto:abc2017cs@163.com).**

*Biopreservation and Biobanking*, the official magazine of ISBER, will publish a special issue from this conference in 2018. The Excellent Abstract Award will be given for outstanding abstracts submitted to ABC2017 conference. The winning articles will be published in the special issue.

**It is our great honor to have your participation and we are looking forward to seeing you all in Changsha.**

**Organizing Committee of ABC 2017**
